‘PNRR: Funds for a modern and reformed Romania!’ Completion of the ‘Digitalization of the NAMMDR’ project – a new step towards the institution’s digital transformation

The National Agency for Medicines and Medical Devices of Romania (NAMMDR), as beneficiary, hereby announces the completion of the implementation of the **‘Digitalization of the NAMMDR’** project, financed by Romania’s Recovery and Resilience Plan, under **Pillar II - Digital Transformation, Component 7, Specific investment: I3.2 – Digitalization of institutions with responsibilities in the healthcare field subordinated to the Ministry of Health.**

The project’s overall endpoint was to digitize the Agency’s activity, through development of the digital infrastructure and implementation of modern IT solutions, aimed at increasing operational efficiency, strengthening information security and optimizing administrative and document management processes.

The project’s total value was 20,595,390.65 lei, of which 19,315,390.65 lei represented non-refundable financing.

Project implementation period: 17 June 2024 – 15 August 2026.

The following investments were made:

- modernization of the communications infrastructure by performing structured cabling work for the NAMMDR headquarters in Av. Sănătescu Street and Nicolae Titulescu Boulevard;
- implementation of a software solution for the development of a Disaster Recovery data centre, designed to ensure operational continuity, to increase the resilience of the IT infrastructure and to protect the institution’s data;
- development of an integrated digital platform for the management and electronic archiving of documents, as well as for the retro-digitalization of documents from the NAMMDR archive.

The implementation of the project is an important step in the digital transformation process of the NAMMDR, contributing to the modernization of the IT infrastructure, the streamlining of workflows and the increase of the institutional capacity to provide quality public services, for the benefit of all partners of the institution.
