Ministry of Health**ORDER No. 607*)****of 22 April 2019**

on approval of the list of vaccines purchased within national health programs for which quarterly contributions calculated in line with Emergency Government ordinance no. 77/2011 on establishment of contributions for the financing of health expenditures are not due

***) Note:**

It includes all amendments to the official act published in the Official Gazette, including those provided for in:

Order no. 1.216/17.04.2025 Published in the Official Gazette of Romania no. 430/09.05.2025.

On seeing Approval Report no. S.P. 5.342/2019 of the General Directorate for Medical Assistance and Public Health and of the National Agency for Health Programs within the Ministry of Health,

Taking into account the provisions of Art. 1² of Emergency Government Ordinance no. 77/2011 on the establishment of contributions for the financing of health expenditures., approved through Law 184/2015, as further amended and supplemented,

in line with Art. 7 paragraph (4) of Government Decision no. 144/2010 on organisation and operation of the National Agency for Medicines and Medical Devices, as further amended and supplemented,

the Minister of Health hereby issues the following Order:

Art. 1 - The list of vaccines purchased within national health programs, for which marketing authorisation holders of medicinal products, who are Romanian legal persons, as well as marketing authorisation holders of medicinal products, who are not Romanian legal persons, through their legal representatives, do not owe quarterly contributions, calculated in line with Emergency Government ordinance no. 77/2011 on establishment of contributions for the financing of health expenditures, approved through Law 184/2015, as further amended and supplemented, for the value of centralised vaccine consumption, provided for in the annex which is an integral part of this Order, is approved.

Art. 2 - Specialised departments within the Ministry of Health, the National Health Insurance House, public health departments and health insurance houses, health units with beds, dialysis centres and marketing authorisation holders of medicinal products who are Romanian legal persons, as well as legal representatives of marketing authorisation holders of medicinal products who are not Romanian legal persons, shall carry out the provisions of this Order.

Art. 3 – This Order shall be published in the Official Gazette of Romania, Part I.

On behalf of the Minister of Health,
Dan Octavian Alexandrescu,
Secretary of State

of vaccines purchased within national health programs for which quarterly contributions calculated in line with Emergency Government ordinance no. 77/2011 on establishment of contributions for the financing of health expenditures are not due
