

Ministry of Health

ORDER

regarding the approval of the classification for supply of certain medicinal products

Taking into consideration the provisions of Art. 10, paragraph (9) of the Government Ordinance No. 125/1998 regarding the setting up, organization and functioning of the National Medicines Agency, approved with changes and completions through Law No. 594/2002, with further changes and completions,

Considering the provisions of Art. 3, paragraph (1) and (2) of the Government Ordinance No. 152/1999 regarding medicinal products for human use, approved with changes and completions through Law No. 336/2002, with further changes and completions,

Seeing the approval report of the General Pharmaceutical Direction, Pharmaceutical Inspection and Medical Equipment No. MB 4.483/2003,

In accordance with the Government Decision No. 743/2003 regarding the organization and functioning of the Ministry of Health,

Minister of Health emits the following Order:

Art. 1. – The classification for supply of influenza vaccines is approved by their inclusion in the category of medicinal products supplied based on medical prescription which is retained at pharmacy, noted P-RF.

Art. 2. – Any contrary provision to the present Order is annulled.

Art. 3. – The Directions of the Ministry of Health, the National Medicines Agency as well as the legal or natural person interested will carry out the implementation of the present Order.

Art. 4. – The present Order will be published in the Official Monitor of Romania, Part I.

Minister of Health,
Mircea Beuran

Bucharest, 15 October 2003.
No. 959.
